

CSA Top 10 Proactive Steps

1. Preview your CSA Carrier Data now
2. Register in the Pre-Employment Screening Program
3. Educate your drivers about the “BASICS” of the program and how it affects them individually.
4. Keep drivers informed of their individual score.
5. Provide and document continuous driver safety training.
6. Train and enforce pre-trip vehicle inspections.
7. Audit drivers’ hours of service logs.
8. Initiate a driver safety incentive program.
9. Challenge all violations that are not legitimate.
10. Establish and monitor “continuous improvement” goals for your company and drivers.
